About the Program

The Deal Maker program recognizes outstanding organizations and individuals with proven track records of leadership, innovation and success through the art of the deal. Each of the winners has, in some way, challenged conventional thinking in order to drive growth in their organization and the business community. The program focuses primarily on transactions and growth within the last 18 to 24 months. Prior nominees and honorees include the most prominent and successful companies in the region. Honorees are announced at a grand event, with over 500 senior business leaders attending. The Deal Maker Awards Program is one of the most prominent business events in the city.
